To Whom It May Concern:

This letter is my personal recommendation for Diana Ramirez. Until just recently, I have been Diana's co-worker for several years and during this time she worked under my supervision for more than once. I found her to be consistently pleasant, tackling all assignments with dedication and excellent results.

Besides being a joy to work with, Diana is a take-charge person who is able to present creative ideas and communicate the benefits. She possesses excellent 3D design and presentation abilities and she was always willing to help with any task being taken by our team.

I highly recommend Diana for employment. She is a team player and would make a great asset to any organization.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pedro L. Valdes". The signature is fluid and cursive, with a prominent flourish at the end.
